The Church Cantatas of J.S. Bach constitute the greatest single compositional achievement of Western music, yet the large majority of the 200 or so surviving cantatas had never been performed in Ireland until the Orchestra of St Cecilia began presenting ALL of these masterpieces over a ten year period.

The first six series in 2001-2006 were an outstanding success and the seventh series will take place in January to March 2007.

The plan is to work through the cantatas, grouping them together in programmes following the days of the church year. Progressing at the rate of six concerts per year, it will take no less than sixty concerts to complete the project by 2010!

**If you would like to be associated with this truly unique musical odyssey, you are invited to become a PATRON or a FRIEND of Bach Cantatas 2007.**
