*“The clearest, most articulate and vital keyboard playing you have ever heard.”*

—Stereo Review

*“Martins’ Bach is in the same tradition of, say, Furtwängler’s Beethoven or Bernstein’s Brahms...It’s literally breathtaking.”*

—National Public Radio

*“Martins’ technique is flawless, and though he’s Gould’s equal as a pianist, he’s much more romantic, drawing all sorts of passion, color, and dynamics from the piano and from these ancient texts.”*

—New York Magazine
