Brahms Inspired

A new CD from pianist Orli Shaham

Release Date: June 9, 2015 on Canary Classics

Like works of art grouped in the same room by the museum's curator, I find the works on this album speak to and illuminate each other. In this collection, I have put together some music which inspired Brahms, as well as some directly and indirectly inspired by him, alongside his majestic final oeuvre. - Orli Shaham

Disc One

Johannes Brahms: *Six Pieces for Piano, Op. 118*

Franz Schubert: *Impromptu, Op. 90, No. 3*

Bruce Adolphe: *My Inner Brahms: an intermezzo**

Schumann: *Romanze, Op. 28, No. 2*

Chopin: *Berceuse, Op. 57*

Brahms: *Three Intermezzi, Op. 117*

Disc Two

Avner Dorman: *After Brahms: Three Intermezzos for Piano**

J.S. Bach: *Partita in B-flat major, BWV 825*

Arnold Schoenberg: *Six Easy Pieces, Op. 119*

Brahms: *Four Pieces for Piano, Op. 119*

Brett Dean: *Hommage à Brahms**

*World premiere recording
